

## Cataumet Club Members,

Here's some details to help you get ready for Saturday's clambake. Hope you are looking forward to it as much as I am!

- 1. Parking:** Please leave spaces empty on Grasslands Lane for people to drop off those who have difficulty walking, or to drop off any items you are bringing before you park. You can park at the Clubhouse, along Scraggy Neck Road, along Winsor Road, and the lot on the Malcom's property on Winsor Road (there will be a sign directing you there). The parking area at the Malcom's property will be marked with yellow 'crime scene' tape. Do not park anywhere outside the area that is taped off. It is easier when you leave if you back your car in when parking there.
- 2. Checking In:** Everyone needs to check in at the welcome table to get a tyvek wristband, even those who did not order food. Please have one person pick up all the wristbands for your family which will show the servers at the buffet table what you ordered. Also pick up your name tags at the welcome table.
- 3. Restrooms:** There will be a porta-potty in the Lewitt's yard up against the bushes next to the Cronbergs. People are also encouraged to use the restrooms at the Clubhouse. Do not walk into anyone's houses uninvited to use their personal bathrooms.
- 4. What to Bring:** If you ordered a clambake meal you just need to bring beverages both for cocktail hour and the meal, and any hors d'oeuvres you care to bring. The only beverage provided will be bottled water (enough for everyone). For those that didn't order a meal, bring your food, and the Club's grill will be setup for you to cook.
- 5. Timing:** Please arrive by 4:00pm to check in and get settled at your table. We have 286 people expected to attend so this will take some time. Cocktail hour is 4:30 - 5:30pm. Around 5:00pm Alice will say a few words, we will have a presentation of our honorary members, and Surendra will recount the Club's history of clambakes and do the blessing. Chowder will be served at 5:30pm, and the buffet starts at 6:00pm., or when chowder service complete.
- 6.** Remember this event is rain or shine, but you will all be seated under a tent which will fit everyone we have coming. So far the weather looks fine, so hope that forecast continues.
- 7.** Any other questions please contact me.

Will be fun,  
Maureen York  
Clambake Chairperson
