

# Cataumet Club Optimist Regatta

August 11, 2018

The Cataumet Club 2018 Opti regatta was held Saturday , August 11., in light winds under cloudy skies, with occasional light rain. Three stalwart sailors showed up to sail. Optis were rigged, shoes were adjusted, marks were set, and the first and only race started promptly at 11:58 AM. (Advertised time of the regatta was 10AM to noon.)

It took the sailors some time to cross the start line in the light to vanishing wind. Mak Kelly demonstrated superior backwards sailing skills while the Koenigs engaged in a slow motion tactical duel. Tucker emerged in the lead, but owed Maddy two penalty turns. After the turns, Maddy's smooth sailing prevailed. Mak fouled the windward mark and completed penalty turn. The remainder of the race was a parade to the finish
